

CERTIFICATION EUROPE™

This is to certify that the

Quality Management System

Of

Glantreo

At

ERI Building, Cork City, Cork, T23 XE10

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO 9001:2015

This certificate is valid for the activities specified below:

The scope of certification for ISO 9001:2015 is the elemental characterization of materials. This includes collection, sub-contracting, testing and reporting of samples for elemental analysis. Breaking it down further into the chemical analysis, information dissemination and tendering.

- **Chemical Analysis (Testing)**
 - **Subcontracting Analysis**
 - **Rogue Particle Analysis**
 - **Sample Handling**
 - **Sample Storage**
- **Information Dissemination**
 - **Data Storage**
 - **Report writing**
 - **Tendering**

Certification of Registration remains the property of Certification Europe Ltd.
The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
To verify this certificate validity please contact us at info@certificationeurope.com
